**Comments:** 23017 is a great representation of what Outlaw has sired for us the past couple years. She is extremely correct in her design and sets down on a great set of feet and legs. Her excellent bone work, wool cover and overall correctness is something we have strived to produce. She is going to be extremely stout and make an excellent brood ewe.

**Location of Sheep:** Starbuck, MN **Contact Information:** Brady320.424.2958 Dale- 320.424.2957
