**Sex:** Ewe    **Breed:** Hampshire    **Birthdate:** 1-2-23    **DNA:** RR

**Comments:** 397 and her twin sister are the first lambs out of "Stray Voltage", the 2022 Reserve Champion Ram at the Minnesota State Fair, and the first lambs born this year. A super correct female with some extra neck. She is one of those lambs that seem to always catch your eye as you are doing chores.
